About our Facility

Crystal Lake is a wonderful golf facility with so much more to offer once your round is finished.

Crystal Lake offers Private Events – Space as well!

Funeral Colations, Bridal & Baby Showers, Birthday & Anniversary Celebrations. We have two locations – our Waterfront Ball Room in our Clubhouse and our Lakeside Pavilion.

Crystal Lake Tavern is also located in our Clubhouse. The Tavern is open to the public and members alike, offering a full menu of appetizers, soups, salads, sandwiches and main entrees. Make sure to stop by after your round of golf for a cold beverage and a bite to eat.

Our hope is that you will not only enjoy the course, but enjoy the Clubhouse as well.

Our staff is friendly and courteous and ready to serve you and make your time at Crystal lake enjoyab.e!
